

NEW YORK CITY

table**TALKS**

LEVERAGING THE INTELLECT OF OUR COMMUNITY
MAY 2, 2018 AT 10 ON THE PARK, NEW YORK CITY

BE THE EXPERT IN THE ROOM

TABLE TALKS brings together thought leaders in the alternative industry to discuss a variety of topics table side. This unique and successful event format deconstructs the traditional conference format by bringing the experts off the panels to individual interactive tables. Each table is co-hosted by an industry expert and an allocator. Attendees will select four of our available topics for their roundtable discussions. A cocktail reception will follow the sessions.

HOST A TABLE

Tables Talks is your opportunity to showcase your firm's expertise and meet directly with professionals in the industry interested in your services. Throughout the afternoon, you and an allocator will co-host a table and go through four rounds of presentations. Attendees will book their sessions using our Table Chooser software and each Table Talk session will last 30-minutes.

Additional Benefits:

- 2 Attendee passes
- Distribution of one thought piece / white paper
- Company Profile on Hedge Connection website
- Branding and visibility on event website, email communications and all event signage
- Discount code for clients
- Attendee list

Cost: **\$5,000**
